

Announcement: Mentoring Programme for Female Postdoctoral Researchers and Junior Professors

The University of Greifswald has established a mentoring programme for female postdoctoral researchers and junior professors. Up to **12 places** are reserved for candidates from the **university and associated research institutions in Greifswald**.

The programme starts in April 2019 and ends in February 2021. It supports highly motivated female researchers who would like to take on a professorship or responsibility in a leading position in academia.

The programme provides

- career-oriented contacts to mentors for individual guidance,
- a seminar programme -held in German- (4 obligatory and 1 optional seminars, see an [example programme](#)),
- individual coaching (on request),
- group coachings according to the field of research,
- peer mentoring,
- networking opportunities and
- three evaluation meetings with programme coordinators.

Application requirements

- if possible, one year of experience at postdoctoral level / junior professorship at the University of Greifswald or an associated research institution,
- willingness to actively establish up to two mentoring relationships including related travel
- willingness to participate in the seminar programme and supporting activities
First dates are:
 - Introductory workshop on Monday, 8 April 2019, 9.00 a.m. to 4.30 p.m.
 - Introduction to peer mentoring and cooperative counselling on Tuesday, 9 April 2019 9.00 a.m. to 1 p.m.

Application and selection procedure

- detailed letter of motivation, specifying individual career goal(s) and efforts made for gaining a leadership position,
- an abstract of the habilitation project / current research project(s),
- CV, incl. Ph.D. certificate, list of publications, contributions to conferences, list of third-party funding, scholarships, other awards and prizes and memberships and
- mentoring application form.

A commission will decide on acceptance to the programme.

The interviews will take place on 28-29 March 2019.
