

Thinking about an internship abroad?

Do you want to work in an international environment?

Do you have a big smile?

Europroyectos Erasmus Plus is the perfect place for you!

As a trainee you will be part of our Student Support Department working with mobility students and accompanying teachers. Among your main duties will be de the following:

- Reception of the group and distributing students in the rooms.
 - Attending international students and teachers.
- Carrying out cultural activities and excursions and professional visits.
 - Preparing the group's departure.
 - Preparing different documents.
- Translating and interpreting (fluent English and/or Spanish is required).

We will expect from you to build a friendly and smooth relationship with the students and make them enjoy their free time as a part of their experience with us and learn about the social and cultural background of the city they're going to live during the implementation of the project.

We invite you to the sunny south of Spain — our offices are located in Granada, Córdoba and Martos.
