In our very own music school students can learn to play the flute, the piano, the cello and the violin. They also have the opportunity to play chamber music. We have three choirs.</p> <p>Apart from music, we also place great emphasis on teaching folkdance, Physical Education and foreign languages, namely English and German. This is the reason why we are looking for teaching assistants from other countries. We would like to introduce children to the cultures of other nationalities.</p>
