

**Internship opportunities in the Business Finance & Procurement departments at the Hertz International European headquarters, based in West London**

Students looking for an internship relevant to a role in Finance, Accounting, Analytics, Pricing, Business Planning or similar may be interested.

It would not be suitable for the internship to be less than six months. Nine or twelve months would be better if possible, but six months is the minimum.

The role is not a full paying job, but financial support is available.

- The Procurement role is available immediately.
- The Contribution analyst intern role is available from September.
- The Financial Analyst Intern role is available from September.

Candidates should please respond to me at [rcollier@hertz.com](mailto:rcollier@hertz.com).
