

British International School

School of Languages & Integration Programmes

LONDON - NEW YORK - BEIJING

The British International School is a company which runs language courses and study holiday packages in London.

We have got few vacancies for internships in our head office in Hayes. In the last 5 years we have offered students from all over the world work experience and training in Marketing, Tourism, Finance, Human Resources, Sales, IT and Creative Design. Interns in our company have the opportunity to grow and develop in a challenging environment.

Do not hesitate to contact me.

Kind Regards
