Lithuanian Language and Culture Winter Academy at Klaipeda University includes language courses, an extensive cultural program and plenty of language practice: evening events, trips, weekend excursions.

The intensive summer and winter courses are being held here for 18 years and got a worldwide recognition from Europe to America, from Australia to Japan. Our *alumni* keep in touch and cherish friendly relations. Quite many *alumni* come again and again to learn / improve Lithuanian each time at a more advanced level.

Briefly, our winter academy offers:

- *Intensive language teaching program*: 4 classroom hours from Monday to Friday + language practice, consultations.
- *Volume of studies*: 4 weeks, 90 academic hours, 8 ECTS.
- *Groups* from A1 (beginners') to C2 (fluent speakers).
- *Cultural and entertaining activities* are held after classes and include language practice: walking in the town, visiting Lithuanian families, travelling across Lithuania.
- *Teachers* also participate in the cultural events, helping their students to apply and reinforce their language knowledge and skills.
- *The certificate* (issued in LT and EN languages) indicates the level of studies, the mark and 8 ECTS awarded.
- *Valuable knowledge, having a good time together, useful contacts and new friends!*
