Dear Students,
The University of Greifswald does one's best to support the students' learning with good academic teaching. Due to the systematic academic course's quality development at our university we kindly ask you to fill in the survey conscientious. The results will be sent the teacher as a general rule within a week. The discourse between the teaching staff and the students leads to an improvement of the teaching and learning at our university. Due to the fact the review of the results is recommended during the next classes. The participation in the survey is anonymous and voluntary. We ask you kindly to write the handwritten remarks in block capitals. If you do not know the answer to a question, skip the question and proceed with the next one.
Thank you for your participation!
