

Declaration of Honor for Green Travel

We only need this template from you if you are using sustainable means of transport for your stay abroad. Please complete and sign the template and send it by email to erasmus@uni-greifswald.de.

Participants who travel at least 50% of their journey there and back by sustainable means of transport will receive additional individual support for travel costs and travel days of up to 4 days for a return journey, if applicable. In total, a maximum of six additional days of individual support for travel can thus be claimed. In this case, two days for standard travel and four days for *Green Travel* are used to calculate the daily rates. Please note that participants must justify the need for these additional travel days.

According to the National Agency DAAD, sustainable means of transport are:

- train, ship/ferry, carpool, bus, bicycle, walking.

I _____ (born on _____), hereby confirm that I will use sustainable means of transport to travel to and from my _____ abroad at the institution _____ in _____.

- Means of transport used: _____
- Planned number of travel days: _____

I have been informed about the conditions and criteria of the *Green Travel* supplementary grant and I am aware that I must submit proof of my requested grants to the International Office of the University of Greifswald for verification upon request.

I have provided all information to the best of my knowledge and acknowledge that in the event of false statements I will have to repay the approved funds in part or in full to the University of Greifswald.
